Discover Paradise in Carnival's First-Ever Exclusive Destination

It's time to check out Celebration Key™ — a new destination from Carnival, nestled on the south side of Grand Bahama — designed exclusively for Carnival guests. With five unique portals to discover, there's something for everyone on this island paradise.

With the iconic Suncastle ahead, and Caribbean music filling the air, the welcome Portal is guests' picturesque departure point for paradise.

With its 11,0000 sq.ft. infinity pool and elevated, beachside food and drink service, this private beach club is the perfect place for guests to get their relaxation on.

Discover handcrafted treasures in our retail Portal; honoring the essence of Bahamian culture, and the Lucayan people, who were first to call Grand Bahama home.

This Portal is a family-centric, tropical playground complete with 2 thrilling waterslides, Guppy Grotto splash pad, beach activities, and more. It's serious fun for all ages!

Whether your vibe is lively or laid-back, our adult-friendly Portal offers a pristine beach, freshwater lagoon, and lots of the enchanting, Caribbean music this area is named for.
